

IN SUPPORT OF HIS HOUSE CHILDREN'S HOME:

# HAITI RELIEF

HIS HOUSE CHILDRENS HOME NEEDS SUPPLIES  
FOR 100 HAITIAN ORPHANS

3 Weeks: Now - February 13-14

His House will be receiving, or may have already received, 100 orphans from Haiti. Here is an opportunity to directly impact their lives. More opportunities may come to partner with His House on behalf of these children, but this is a great place to start. You can also encourage your family, friends, and neighbors to get involved.

His House Children's Home is a faith based non-profit organization dedicated to restoring the joy in the lives of children and families. Established in 1989 by Jean Caceres-Gonzalez, the agency provides residential care for abused, neglected and drug exposed children in a campus home-like setting. Their goal is to restore the emotional and physical well being of children through an array of services in a loving and nurturing environment. Visit: [www.hhch.org](http://www.hhch.org)
