

Why Us?

WHOLE CHILD DEVELOPMENT

To ensure the development of the "whole child", a balance of opportunities in spiritual, intellectual and physical activities is essential.

SPIRITUALITY

Bible stories, scripture memorization and praise and worship are an integral part of the daily curriculum for preschoolers.

STRONG EDUCATIONAL FOUNDATION

Our preschool program lays a foundation for literacy through structured daily lessons using a phonics based curriculum. Other daily lessons include numbers, handwriting and social studies activities.

ENRICHMENT OPPORTUNITIES

Preschoolers participate in enrichment activities including chapel, music, media center visits, and weekly Spanish instruction for four year-olds.

PLAYTIME

Our large fenced-in playground provides opportunities for physical development and social time for the preschoolers every day.

MISSION STATEMENT

The mission of Florida Bible Christian School is to provide a Christ-centered environment where young people are educated spiritually, intellectually, physically and socially to transform their world for Christ.

MRS. LINDA MOYE
PRESCHOOL DIRECTOR

At Florida Bible, we recognize the potential of each of our preschool children and have designed our program for three and four year olds to encourage spiritual growth, academic achievement and social relationships. We believe that the pre-school years are the ideal time to begin building the foundations that will carry our children on to academic and social success. Florida Bible is committed to individualized learning and small class sizes - we limit our enrollment to 16 students per class. Our classes emphasize academic achievement, social development, spiritual growth, and citizenship skills into our daily curriculum.

ACCREDITATION
FBCS is fully accredited by the Association of Christian Schools International and the Southern Association of Colleges and Schools.

Our Preschool is approved by the Association of Christian Schools International and Broward County.
